Social Skills Program

For children with High Functioning Autism & Asperger's Syndrome

September School Holidays 2010

Spectrum Speech Pathology Services provides specialist services for children with Autism Spectrum Disorders and Asperger's Syndrome.

Christine Kendall and Gloria Staios head a team of experienced speech pathologists that provide language, communication and social pragmatic skills programs to meet their individual needs.

As we do most school holidays, our Team will be running intensive social skills programs during the school holidays for children with Asperger's Syndrome. These programs are designed to help the children develop and practise conversational and interactive skills in formal and informal group situations. Programs will be broadly organised for 2 age groups 6-8 yrs & 9-12 yrs
